The only officer in this Circle who is a at a station where no facilities exist for local musketry training is Inspector G.H.Walton, the Divisional Inspector of Bowringpet Town & Taluk.

I am strongly of opinion that this officer as well as those mentioned in the margin, cannot do any training without interference with their work as Police officers.

Sir,

Adverting to your No. 15052 (1) P.P. 4-8-27 dated 22nd January 1919, I have the honor to state that the marginally noted Officers who were hitherto granted Total Exemptions are not included in the list given in the letter of the General Officer Commanding.

1. Mr. A. Hayes,
2. " S.M.Pritchard,
3. " C. Everard,
4. " J.E.Dunning,
5. " J.A.B.Ball,
6. " T. Wynne.

Of these Mr. Hayes, the Superintendent of Police, Railways and C.I.D. completed his 50th year last October and is no longer required to undergo the training. Of the other officers Mr. Pritchard is nearing 50 while Mr. Everard is 45. Apart from the age these officers have all along been in charge of a large force and at the head of it, they are conversant with the drill and musketry exercise. It would therefore be hard on them to be asked to take their place with the rank and file again to undergo training. Besides as I have all along contended, the Police work will be seriously hampered as it is not possible to appoint others in their places.

The other three Officers who are young may be ordered to put in the required number of drills occasionally and arrangements will be made to get their work done.

Mr. Mellor one of the Police Inspectors of th
Fields who is a European British subject joined
a long leave without allowances of over 2½ years
be granted exemption like the other Police Offic
Fields as he cannot undergo training without und
with his work as a Police Officer.

SIR,

I am directed to invite a reference to the correspondence ending with your letter No. 348/138/A-1., dated the 12th May 1919, regarding the grant of conditional certificates to the Police and Jail Officers of the Mysore Durbar in lieu of total exemption certificates already issued to them.

It is understood that the undermentioned Police and Jail Officers were granted absolute exemption from Military service by the Bangalore (outside the Civil and Military Station area) and Kolar Exemption Tribunals. Of these, the cases of the first 6 officials

(1) [illegible], Superintendent of Police, Bangalore.

were dealt with by the Bangalore Tribunal and they have returned their absolute exemption certificates excepting Mr. W. Wright who has been asked to send his certificate at an early date. The remaining 6 cases were dealt with by the Kolar Tribunal, but no exemption certificate was issued to any of them individually. The fact that they had been so exempted by the Tribunal was communicated to the Superintendent of Police, Mr. E.M. Pritchard departmentally by the Durbar.

3. Of the twelve officials referred to above, (Nos 8, 12, 10, 5 and 3) viz Messrs J.F. Anderson, A.F. Walton, G.H. Walton, O. Morris and H. Howell, and in addition Mr. G. Edwards, Police Inspector Kolar Gold Fields, (whose name is not included) have already been granted exemption by the Divisional Commander from Military Duty so long as they remain in their present appointments (vide your letter No. 348/115/A, dated the 17th December 1918) while Messrs A. Hayes, C. Everard, J.A.B. Ball, W. Wright, E.M. Pritchard and G.E. Dunning are above 41 years of age.

4. In the case of the twelve officials named in para 2 above, conditional exemption certificates are in accordance with the instructions contained in the letter No. 11005/107/G.S., dated the 6th May 1918, from the Brigadier-General, I/C Administration, 9th Division, a copy of which was received with your letter under reference, not being issued.

5. Mr. T. Wynne is the only official concerned who is below 41 years of age. I am to enclose a copy of the conditional certificate of exemption granted to him.

Police and Jail Officials of the British service are liable for local service only under Army Department letter No. 8760 dated June 1917.

By an arrangement with the Government of Madras [redacted] who cannot perform local service training without undue interference their civil duties are exempted by the Divisional Commander from such amount of training as they are unable to perform. They are thus on the strength of the Force, but their training is modified in particular cases to an extent which does not interfere with their civil duties, which are recognized as necessary. In the case of Durbar Officials a somewhat similar arrangement was come to with the Residency Tribunal and Officials were divided into 4 classes for different treatment and exemptions of training.

Under I.A.O. No. 10.S of 1918 the Divisional Commander has powers to grant total or partial exemption from training while individuals are on the strength of the I.D.F. and he is prepared to extend these powers to Durbar officials in exactly the same way as to officials of the Local Government.

All conditional certificates should be withdrawn and all affected thereby, will be taken on the strength of the most convenient I.D.F. unit. Those who cannot be spared for general service should be exempted by Tribunals from General Service and unconditional certificates for Local Service granted.

Those who cannot perform even those obligations will be exempted by the Divisional Commander from such obligations as the Resident in Mysore recommends. This exemption as pointed out above is granted by the Divisional Commander under his powers and not by Exemption Tribunals who should not issue conditional certificates at all in these cases [redacted]
